DAY 2 - ROYAL TOUR OF EDINBURGH

This morning, we depart after breakfast to discover Edinburgh's royal side. We head for a visit and guided tour of Edinburgh Castle. Perched high on an extinct volcano, it overlooks the city and part of the Old and New Towns' World Heritage Site. It was the scene of some of Scotland's most intriguing history and houses the Honours (Crown Jewels) of Scotland, the Stone of Destiny, the famous 15th century gun Mons Meg, the One O' Clock Gun and the National War Museum of Scotland.

From here we will head down the Royal Mile for a visit and tour of the Palace of Holyroodhouse, the official residence of the Monarchy in Scotland. We will explore the Palace's close associations with some of Scotland's most well-known historic figures such as Mary, Queen of Scots and Bonnie Prince Charlie.

After leaving Edinburgh we will drive into Perthshire, which will be our base for the next 3 nights. Dinner will be together this evening in the hotel.

It sits atop Castle Hill, an intrusive crag, which forms part of the Stirling Sill and has witnessed many significant moments in Scottish history. Once home to kings and queens, it has seen many baptisms, coronations and extravagant celebrations, but also imprisonment, murder and intrigue, some of which has only been discovered in recent decades.

We will then have some free time relaxing and browsing the shops and cafes of Stirling, the youngest city in Scotland - it only gained city rights in 2002 at the Golden Jubilee of Queen Elizabeth II. Dinner will be together in the hotel this evening.

DAY 4 - SCONE PALACE & 'THE FAMOUS GROUSE' EXPERIENCE

After breakfast, we head to visit and tour Scone Palace. The crowning place of Scottish kings, Macbeth, Robert the Bruce and Charles II were once crowned here. We will see where the Stone of Scone, known as the Stone of Destiny, once stood and which now resides in Edinburgh Castle. We can also admire the needlework skills of Mary, Queen of Scots' bedhangings that she worked on while in prison on Loch Leven. The Palace is also surrounded by beautiful gardens and woodlands.

After a lunch break, we will head back to our hotel but not before we stop to learn and taste one of Scotland's most well known exports - whisky. We'll enjoy a 'wee dram' at The Famous Grouse Experience. The Famous Grouse is Scotland's oldest working whisky distillery, established in 1775 and one of the most famous brands. Here, we will see how this single malt is produced and enjoy a tasting of their produce before a chance to purchase some as a souvenir. We will make a lunch stop before continuing to Inveraray. Here we will have a visit and tour of Inverary Castle and Gardens, located on the shores of Loch Fyne. It is the ancestral home of the Duke of Argyll and features include the Armoury Hall, State Dining Room and Tapestry Drawing Room.
